Ms. Bussey:

The Adelanto facility proposes Wednesday, July 29, 2020 for the video conference inspection. Facility Administrator Janecka is in meetings on other matters today and Tuesday, but will be available Wednesday. He will also be the facility's representative for the opening conference.

Is your inspector available on Wednesday? If so, then I would propose the inspection start at 9:30 a.m.

This is also to confirm that no one participating will be video taping or audio taping the inspection. We discussed this earlier but I wanted to confirm our understanding.

If my understanding above is incorrect or if you should have any questions, please let me know.

Sincerely,

Wilson

Ms. Bussey:

I apologize for the delay. The good news is **Ex. 6 Personal Privacy (PP)**

I spoke with the facility concerning the topics that you provided. We believe most if not all of them can be addressed by Facility Administrator James Janecka. To the extent that other interviews are necessary, we believe the topics may be addressed by Fire and Safety Manager Lucia Meza, Assistant Facility Administrator Joshua Johnson, and/or Training Administrator Alicia Walker. Of course, we will know more after FA Janecka's interview.

Ex. 6 Personal Privacy (PP) Can we talk Monday morning about your inspector's availability for video conferencing and I can check FA Janecka's schedule?

Thank you for your cooperation with scheduling. Have a good weekend. Stay well.

Sincerely,

Wilson
